ENRICHMENT DESCRIPTIONS

Foreign Language

Emergence- Spanish, French, Swahili, Portuguese and other languages... students learn the language and experience the culture through food, music, dance, and other cultural experiences.

Arts and Crafts

This class promises a fun introduction to the basic elements of art, with an emphasis on imagination and creative problem solving. Students will enjoy courses in drawing, painting, sculpture, ceramics, printmaking, and mixed-media.

Culinary Arts

Are your children always "helping" in the kitchen, asking to cook dinner or asking how to cook? If so, this club is perfect for them! Children learn a variety of cooking skills in a fun atmosphere with other children who like to cook, and most importantly, taste their creations!

Performing Arts and Acting

Our instructors teach quality developmental acting to children of all ages. This class is perfect for children who love to perform for an audience!

Team Sports

Soccer, Baseball, Basketball, and Tennis...Our balanced and creative approach to coaching will have a positive impact on your child that goes far beyond the playing field. Our high-energy classes are carefully designed to enhance your child's overall growth and well-being. The result? Children with strong physical skills, who are well-balanced and confident. And, we do all this while your child has the time of their life!
