

LakeSide Charter Academy

January 27th, 2023 Newsletter

- ♦ The Lottery ends on February 8th and will run on February 21st.

Way to go!

Last week our school participated in the first step of the Scripps National Spelling Bee. Each grade, First through Eighth, competed in their classroom spelling bee. We are excited to announce the winners of each class!

1st - Wickline - Felipe/Lexi,	Lugenbeel - Aadhya/Quiari
2nd - Nicholson - Miranda/Connor,	Costello - Evelyn/Nick
3rd - Johnson - Francis/Henry,	Costenoble - Lorelai/Rocco
4th - Jeremiah/Aliena	
5th—Anthony/Kylan	
6th—Kailee/Ella	
7th—Gionna	
8th—Gabriel	

All of these students competed in the school wide spelling bee on Wednesday 1/25. The winner of the school spelling bee will move on to compete against other students from across the county and state.

Congratulations to our Winners!

- 1st Place—Anthony P Gr. 5
- 2nd Place—Kailee S. Gr. 6
- 3rd Place—Aadhya T. Gr. 1

We are currently accepting applications for the 2023-2024 school year lottery. If you know someone who would be interested in joining us, please encourage them to visit our website or contact the front office for a tour. We look forward to another great year!

Ways to Help!

Helping Hands

Our teachers are always in need of an extra set of hands. (Making copies, cutting, and doing other tasks to help prepare work for teachers.) Please contact PTO@lakesidecharteracademy.com

WHY SIGN UP FOR SCIENCE CLUB?

- **Make new friends** – Gives kids an opportunity to meet other kids who love science
- **Build social skills and self-esteem** – Hands-on experiments will teach cooperation and build a sense of accomplishment
- **Support Common Core learning** – Activities use the Scientific Method to teach critical thinking, evidence-based learning, and curiosity
- **Improve grades** – Participation improves work habits and boosts subject matter understanding
- **Improve attendance** – Making new friends, creating a sense of belonging, and a greater connection to subject matter can improve a child's desire to attend school
- **Improve behavior** – Focus on structure and a review of expectations for behavior reduces behavioral issues

Club SciKidz After School Science Club
